General Information

The Tennessee Commission on Children and Youth (TCCY) annually awards Federal Formula Grants with funds provided through the Juvenile Justice and Reform Act (JJRA). Grants are awarded for one year and are renewable for up to two additional years. **Renewal is not automatic. All applicants (continuation and new) must submit an application each year.** If a project is approved for funding after the first year, the funding level for the second and third years will be 75% and 50%, respectively, of the first year's budget. **Please understand this is a very competitive process and grant applications must follow strict adherence to the guidelines and instructions in the application. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by TCCY.**

Federal regulations require that funds be allocated for programs that are part of a comprehensive and coordinated community system of services including collaborative efforts. TCCY will give preference to: 1) programs which provide direct services to youth, particularly delinquency prevention 2) programs designed to identify and reduce racial and ethnic disparities in the juvenile justice system, and 3) programs and services designed to have a statewide impact, and 4) programs that are evidence-based. The term "comprehensive and coordinated system of services" includes the following:

- (A) Ensures that services and funding for the prevention and treatment of juvenile delinquency are consistent with policy goals of preserving families and providing appropriate services in the least restrictive environment so as to simultaneously protect youth and maintain public safety;
- (B) Identifies, and intervenes early for the benefit of young children who are at risk of developing emotional or behavioral problems because of physical or mental stress or abuse, and for the benefit of their families;
- (C) Increases interagency collaboration and family involvement in the prevention and treatment of youth delinquency;
- (D) Encourages private and public partnerships in the delivery of services for the prevention and treatment of youth delinquency.

The Department of Justice's Equal Treatment Regulation 28 C.F.R. Part 38 prohibits State administering agencies from making award or grant administration decisions on the basis of an organizations religious character or affiliation, religious name, or religious composition of its board of directors. The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.

Pursuant to Executive Order 13512 of October 1, 2009, “Federal Leadership on Reducing Text Messaging While Driving,” all Department of Justice (DOJ) recipients and subrecipients are encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers. Texting while driving a vehicle in Tennessee is illegal per Texting While Driving Law (TCA 55-8-199).

Agencies or programs which have previously been awarded a Federal Formula Grant from TCCY are not likely to receive additional funds after three years of funding. Any subsequent application will only be approved if it includes a new program or program component which is significantly different from the previously funded grant.

The information which follows is intended to facilitate the writing of your grant application. Included are the answers to the most frequently asked questions about the applications content. Also included are guidelines for allowable budget items and specific project components which will not be funded.

Additionally, all grantees are expected to have contact with the TCCY Regional Coordinator in their area and to participate in Regional Council activities. Statewide grants should make contact with all nine (9) regional coordinators.

During the project period, grantees may be asked to make at least one presentation to the Tennessee Commission on Children and Youth to highlight their program including progress and activities.

1. PURPOSE OF FEDERAL FORMULA GRANT PROGRAM:

The purpose of TCCY's Federal Formula Grant Program is to plan for and implement the Juvenile Justice and Delinquency Prevention Act (JJDP) of 1974 (as amended through P.L. 115-385, enacted December 21, 2018); 34 USC §11133 (a) et seq. The Act mandates the following: Deinstitutionalization of status offenders, removal of juveniles from adult jails, separation of juveniles from adult offenders, and identify and reduce the incidences of racial and ethnic disparities in the juvenile justice system. Grants are awarded to assist Tennessee in complying with these mandates as well as to prevent delinquency and to improve the youth justice system.

2. ELIGIBILITY OF NEW AND CONTINUATION PROJECTS:

Entities eligible to apply for initial Federal Formula Grant funds shall include any public and private (non-profit) agency which includes governmental, educational, law enforcement, or other child serving or advocacy organization. Federal regulations allow states to withhold funds as a sanction for persistent patterns of violations of JJRA Act. Initial funding shall be for a period of not more than twelve (12) months and renewable for up to 3 years. Continuation funding is contingent upon reapplying satisfactory performance and the availability of funds. Equitable distribution of federal formula grants across regions will be considered, but in some cases, grants may be awarded in the same area. Applicants in the same area are not prohibited from applying.

3. EVIDENCE-BASED PRACTICES:

All Federal Formula sub grantee programs/projects must be evidence-based. Evidence-based programs and approaches are defined as strategies and programs demonstrated through research and evaluations to be effective at preventing or intervening in youth delinquency. Best practice models include program models that have been shown, through rigorous evaluation and replication, to achieve target outcomes. Model programs can come from many valid sources (e.g., *OJJDP's Model Programs Guide*, *Blueprints*, SAMHSA's Model Programs, State model program resources, etc.).

Note: **The source of the evidence-based program/model program must be documented in the project narrative section of the request for proposal (RFP).** The *Office of Juvenile Justice and Delinquency Prevention Model Programs Guide*, describing evidenced-based delinquency prevention and intervention programs can be found on the MPG website www.ojjdp.gov/mpg/.

4. PERFORMANCE MEASURES:

Performance Measures:

The federal funds awarded subsequent to this RFP come to the state from the Office of Juvenile Justice and Delinquency Prevention (OJJDP). OJJDP, like all Federal agencies, must meet the following requirements of Government Performance and Results Act of 1993 (P.L. 103, or "GPRA):

- Develop strategic plans that specify what they will accomplish over a 3 to 5-year period;
- Set performance targets annually related to their strategic plan; and
- Report annually on the degree to which the previous year's targets were met.

All Federal Formula sub grantees are required to collect data to measure the specific outputs and short and long-term outcomes their programs are designed to achieve. There are performance measures outlined in the chart on page 15 for which grantees are required to submit data during the grant period. In the project narrative applicants must describe their data collection methods.

5. GRANT REVIEW PROCESS:

All grants shall be reviewed by TCCY staff and the Grant Review Committee of the Commission prior to submission to the full Commission for final approval or disapproval and funding level. A letter will be sent to all applicants within thirty (30) days of the Commission's decision for approval or disapproval. If approved, the letter will indicate any special conditions that must be met before the project(s) can begin. If disapproved, the letter will explain any deficiencies in the application that prevented the project from being funded. All decisions by the Commission will be final.

6. FUNDING:

Applicants can apply for funding up to \$60,000 for the project period of October 1, 2020 to September 30, 2021.

7. MATCHING FUNDS REQUIREMENTS:

There is no match requirement for the Federal Formula Grant funds.

8. PROJECT START DATE:

Projects funded will begin October 1, 2020 and end September 30, 2021.

9. CONFIDENTIALITY:

All records of youth served must be collected and maintained in a manner to ensure the protection of the juveniles' rights to privacy and confidentiality. Records of youth in the program should contain at least:

- 1) Demographics (age, race, gender, county of residence);
- 2) Dates involved in the program;
- 3) Date completed the program;
- 4) Specific services provided.

10. **ALLOWABLE AND DISALLOWABLE EXPENDITURES:**

Allowable costs may be determined by the OJARS M-7100-1-B guidelines. These guidelines are available for review in the office of the Tennessee Commission on Children and Youth. Only direct costs are allowable.

The following items are **allowable** expenditures as part of a grantees' Federal Formula budget with sufficient justification:

- Incentives (T-shirts, plaques, etc.) consistent with program goals
- Program participant transportation if consistent with program goals and in compliance with state travel regulations (.47 per mile)
- Mileage for TCCY trainings
- Salaries and benefits of staff working on project
- Supplies and Operations for use on project

The following items **are not allowable** expenditures as part of a grantee's Federal Formula grant budget:

- Land acquisition, capital improvements, or construction costs
 - Administrative costs
 - Maintenance and repair for facility
 - Depreciation
 - Interest
 - Liability insurance for vehicles (medical insurance under "benefits" only)
 - Gas/fuel (mileage only/.47 percent a mile)
 - Vehicle lease/rental
 - Equipment rental (on ongoing basis)
 - Taxes (of any kind)
 - Fund raising
 - Bonuses or commissions
 - Lobbying
 - Membership/dues
 - Legal expenses
 - Alcoholic beverages
 - Snacks and beverages (allowed for program youth only)
 - Entertainment
 - Cost incurred outside the project period
 - Overtime
- No program which conducts, supports, or otherwise participates in the practice of taking juveniles on tours of secure adult correctional facilities, or tactics such as those used in "scared straight" type programs regardless of the source of funding for the activity, will be funded by the Tennessee Commission on Children and Youth.

- Formula grant funds may be used to supplement or increase the level of state, local funds, or other non-federal funds, but may not be used to supplant those funds. Simply, federal funds may not be used to replace funds from other sources.
- Formula grant funds will not be awarded to recipients who fail to demonstrate success in achieving goals specified in the application during the preceding two-year period.
- Funding of positions and salaries will be reviewed on a case-by-case basis. The Commission reserves the right to fund salary amounts it feels are consistent with the duties of the position. The allowable amount for fringe benefits is **30% of the salary amount requested**.
- All travel by project staff must follow current State of Tennessee Regulations. The grant application should include all anticipated in-state and out-of-state travel, with justification of why the travel is necessary or enhances the ability of the grantee to meet stated objectives.
- All applicants for Federal funds must complete the Certified Assurances (see Appendix IV) and must comply with Title VI guidelines regarding non-discriminatory practices for staff and program participants.

11. REIMBURSEMENT OF EXPENDITURES:

All payments to grantees are made on a reimbursement basis only. No advance payments are allowed. No payments will be made by cash or check and each grantee must have direct deposit.

- (a) The grantee shall submit quarterly progress and expense reports. The purpose of the program progress report is to determine progress and/or technical assistance needed to meet the goals and objectives of the program. The expense report is necessary for reimbursement of expenses incurred. Progress and expense reports must be submitted within thirty (30) days of the end of the quarter. Claims for the quarter that ends on June 30, must be received by June 25 to allow for closing of the state fiscal year on June 30. No claim for reimbursement shall be paid until staff reviews the progress report and clearance to pay is given to Centralized Accounting for payment.

(b) 20% Budget Flexibility & Budget Revisions

For the fiscal year 2020-2021, TCCY will allow 20% budget flexibility for any needed adjustment. This means that you can make total adjustments between the **existing line items in your budget**, without prior approval, not to exceed 20% of the total contract budget. (Example: If your total budget is \$50,000, dollars can be moved between line items not to exceed \$10,000 total). This flexibility is meant to be used if needed, but not to be abused. Below are the guidelines in regards to any adjustments you make:

Even though prior permission is not required to make these line item adjustments within the allowable 20% of the total budget, **you will need to document any adjustments you have made within the quarter and submit this documentation along with your quarterly report** so that we may keep accurate tracking records of your budget for audit purposes. **This flexibility does not include the creation of new line items to your existing budget.** Creating new line items, time extensions, adjustments of more than 20%, any adjustments that will make a cumulative adjustment of more than 20% or any change in total contract amount is a revision and requires prior written approval. A letter of request with supporting documentation and clarifying reason(s) for request must be submitted for consideration of approval.

Only one budget revision exceeding the 20% allowable adjustment will be allowed for the fiscal year 2020-2021. **Under no circumstances will there be any budget revision/adjustment approved after July 31, 2021.** This will allow our fiscal department time to reconcile account balances before the end of the federal fiscal year. Therefore, it is imperative that you carefully review your budget when submitting reports to assess your needs before requesting a revision.

Any funds not obligated by the grantee by the end of the award period will lapse and revert to the awarding agency. No additional obligations can be incurred after the end of the award.

12. PROJECT PROGRESS REPORTS:

Each grantee shall submit a quarterly progress report along with their expenditure claim **within 30 days of the end of each quarter.** The purpose of the project progress report is to determine progress and/or deficiencies of sub grantees in meeting the goals and objectives of the grant.

13. PROJECT SITE VISITS AND PROGRAM MONITORING:

TCCY staff will make an on-site visit at least once a year to view the program and review program records. The purpose of the visit is to provide technical assistance to ensure that programs are doing well and meeting stated goals and objectives.

The program will also be monitored by TCCY staff. The monitor will examine claims for reimbursement, fiscal records, program records, personnel records and other records, if needed.

14. PERSONNEL REQUIREMENTS:

- All agencies/organizations with 50 (fifty) or more employees must have an Equal Employment Opportunity (EEO) Plan.
- All agencies/organizations must have written policies and procedures for employees.

- All agencies/organizations must keep timesheets and a travel log for each employee working on the project.

- All staff and volunteers working with children in your program must have a **criminal background and sex offender registry check on file.**

15. **SELF-SUFFICIENCY:**

Federal Formula grantees must be self-sufficient after three years. Self-sufficiency means, the program will not require Federal Formula Grant funds for implementation.

If your agency is unable to receive a letter of support from Juvenile Court Judge obtain one from the Court Administrator or County Executive/Mayor. In addition, if this is a school-based program, you must obtain a letter of support from school principal or his or her designee.

17. **TITLE VI COMPLIANCE:**

It is the intent of TCCY to bind all agencies, organizations, or governmental units operating under its jurisdiction and control to fully comply with and abide by the spirit and intent of the Civil Rights Act of 1964.”

In addition, TCCY complies with the following federal laws:

Part 38).
- The Juvenile Justice and Delinquency Prevention Act (JJDP) of 1974, which prohibits discrimination in programs funded under the statute, both in employment and in the delivery of services or benefits, based on race, color, national origin, sex, and religion (34 U.S.C. §11182(b)), and the DOJ implementing regulations at 28 C.F.R. §§31.202, .403 & pt.42, subpart D.

In the event that a court or administrative agency makes a finding of discrimination on the grounds of race, color, religion, national origin, gender, disability, or age against a recipient of funds after a due process hearing, the recipient must agree to forward a copy of the finding to the Tennessee Commission on Children and Youth within 45 days.

STANDARD PROGRAM CATEGORIES

The Office of Juvenile Justice and Delinquency Prevention has established “Standard Program Categories” for the use of Federal Formula Grant (FFG) funds. The Standard Program Category that has been allocated funding in Tennessee is presented below. Review of this information provides guidance regarding expectations for projects funded under each category.

- **Delinquency Prevention Programs**

The term "juvenile delinquency program" means any program or activity related to juvenile delinquency prevention, control, diversion, treatment, rehabilitation, planning, education, training, and research, including drug and alcohol abuse programs; the improvement of the juvenile justice system; and any program or activity designed to reduce known risk factors for youth delinquent behavior, provides activities that build on protective factors for, and develop competencies in, juveniles to prevent, and reduce the rate of, delinquent youth behavior. Gender-specific services and Trauma-informed care programs are included within this category.

Delinquency prevention programs are comprehensive juvenile justice and delinquency prevention programs that meet the needs of youth through the collaboration of the many local systems before which a youth may appear, including schools, courts, law enforcement agencies, child protection agencies, mental health agencies, welfare services, health care agencies, and private nonprofit agencies offering youth services.

Budget

Applicants can apply for funding up to \$60,000 for the project period of October 1, 2020 to September 30, 2021.

Performance Measures

Performance measurement is a system of tracking progress in accomplishing goals, objectives, and outcomes. It monitors a few vital signs related to program performance and is less rigorous than program evaluation.

Sub grantees need to have performance measurements for each program category to demonstrate compliance with performance accountability provisions of new legislation. Performance measurements are defined as data/information that will be collected at the program level to measure specific outcomes a program is designed to achieve. Therefore, they **must** be developed and included with each program objective. The following are types of performance measurements:

1. **Output Indicators** measure the products of a program's implementation or activities. They are generally measured in terms of the volume of work accomplished, such as amount of service delivered, staff hired, systems developed, sessions conducted, materials developed, policies, procedures, and/or legislation created. Examples include number of juveniles served, number of hours of service provided to participants, number of staff trained, number of detention beds added, number of materials distributed, number of reports written, and number of site visits conducted. They may also be referred to as *process measures*.
2. **Outcomes Indicators** measure the benefits or changes for individuals, the juvenile justice system, or the community as a result of the program. Outcomes may be related to behavior, attitudes, skills, knowledge, values, conditions, or other attributes. Examples are changes in the academic performance of program participants, changes in the recidivism rate of program participants, changes in client satisfaction level, changes in the conditions of confinement in detention, and changes in the county-level juvenile crime rate. There are two levels of outcomes:
 - a. **Short-term outcomes:** The benefits or changes participants experience by the time a youth leaves or completes the program. For direct service programs, they generally include changes in recipients' behavior, attitudes, skills, and knowledge. For programs designed to change the youth justice system, they include changes to the juvenile justice system that occur by the funding's end.
 - b. **Long-term outcomes:** The ultimate outcomes desired for participants, recipients, the youth justice system, or the community. For direct service programs, they generally include changes in recipients' behaviors, attitudes, skills, and knowledge. They also include changes in practice, policy, or decision-making in the youth justice system. They are measured within 6-12 months after a youth leaves or completes the program. They should relate back to the program's goals (e.g., reducing delinquency).

**Performance Measures for Delinquency Prevention:
(Grantee must be able to track the following Performance Measures)**

Output Indicators

1. Number of program slots available.
2. Number and percent of program staff trained
3. Number of program youth served

Outcome Indicators

Short-term Outcome

1. Number and percent of program youth who offend during the reporting period
2. Number and percent of program youth who re-offend during the reporting period
3. Number and percent of program youth exhibiting desired change in targeted behaviors (e.g., substance use, school attendance, antisocial behavior, family relationships) during the reporting period
4. Number and percent of program youth completing program requirements
5. Number and percent of program youth satisfied with program
6. Number and percent of program staff with increased knowledge of program area

Long-term Outcomes

1. Number and percent of program youth exhibiting desired change in targeted behaviors (e.g., substance use, school attendance, antisocial behavior, family relationships) six months to one year after exiting the program
2. Number and percent of program youth who offend during the reporting period
3. Number and percent of program youth who re-offend during the reporting period

APPEALS PROCESS

Criterion for Appeal:

Appeals will be considered only if:

The Commission failed to follow established guidelines to assure fairness and uniformity for all applicants.

Procedures for Appeal:

The awarding of Federal Formula Grant funds from OJJDP is a discretionary act by the Tennessee Commission on Children and Youth. The Commission strives however, to assure that appropriate factions within state and local government, as well as private individuals and agencies, are informed of the availability of funds and have an opportunity to make application for the funds.

Established Guidelines:

TCCY developed the following guidelines to assure fairness and uniformity:

- Announcement of availability of funds;
- Acceptance of grant applications;
- Review of grant applications; and
- Notification of approval/disapproval of applications.

These procedures are adopted by TCCY and reviewed periodically for update and revision. Copies of the procedures can be obtained from the TCCY office.

Therefore, the decisions of TCCY relative to the approval or disapproval of grant funds shall be final, except for the above mentioned criterion. There is, also, no appeal for the amount awarded.

If the applicant feels that sufficient evidence can be shown to support the criterion, an appeal may be filed **in writing within ten (10) working days** of notification of approval/disapproval of the grant application. TCCY staff shall stamp the appeal with the date and time of receipt.

TCCY staff, as designated by the Executive Director, shall review the appeal and investigate to determine if the evidence presented in the appeal has merit. If the appeal is found to be of merit, the grant application shall be scheduled for review by the Grant Review Committee of the Commission. This review shall take place prior to the next regularly scheduled TCCY meeting and the recommendation of the Grant Review Committee shall be discussed as an agenda item at that meeting. The decision of TCCY on the appeal shall be final with no further appeal.

DUNS NUMBER REQUIREMENT

The federal government requires organizations to provide a DUNS number on their grant applications. As a recipient of federal funding, the Tennessee Commission on Children and Youth (TCCY) also requires DUNS numbers on all grant applications from organizations. Applicants who have not already done so must register with Dun and Bradstreet (D & B) to be issued a DUNS (Data Universal Numbering System) number. There is no fee for registering for a DUNS number.

WHAT IS A DUNS NUMBER?

Dun and Bradstreet (D&B) is a company that provides business information for credit, marketing, and purchasing decisions. Its “data universal numbering system,” known as DUNS, issues unique 9-digit numbers that are used by businesses and the federal government to keep track of more than 70 million businesses world-wide. Because a DUNS number is specific to a physical location, some entities such as states, public school districts and universities will have several DUNS numbers, for example “DUNS + 4,” used to identify specific units within a larger entity.

WHY DOES MY ORGANIZATION HAVE TO PROVIDE IT?

The federal government’s Office of Management & Budget uses DUNS numbers to track how federal grant money is awarded and dispersed. A percentage of the Tennessee Commission on Children and Youth grant money is federal, thus TCCY requires DUNS numbers, too.

Do all grant applications have to have a DUNS number?

All organizational applicants are required to provide their DUNS number. Individuals are exempt.

How do I find out if my organization already has a DUNS number?

Your executive director, business manager, board treasurer, or accountant is likely to know and be able to provide your organization’s DUNS number if you already have one. Most Universities and colleges, state entities and large organizations already have DUNS numbers.

If you aren’t sure if your organization has a DUNS number, or if so, what it is, [go here to search](#).

If you do not have a DUNS number, apply by using this website: www.dnb.com.

Is there a fee for registering for a DUNS number?

No. D&B does not charge a fee, and you are not obligated to purchase any of their products.

How do I get a DUNS number?

Applications are no longer accepted over the phone. To apply for a DUNS number, go to this website: www.dnb.com and click onto D-U-N-S NUMBER. Scroll down to “Get a D&B D-U-N-S Number.” Click onto “Get a D-U-N-S number.” For best compatibility, applicants should use either Firefox or Internet Explorer, and turn off any pop-ups for best results with the application. The D&B website will ask for the information listed below, after which you will be assigned a number, free of charge. An authorizing official (i.e., executive director or chair of the board) of the organization should fill out this request. It may take up to 30 days to receive the DUNS number after applying on the website, so be sure to give yourself enough time to do this before your grant application deadline.

- Legal Name of organization
- Headquarters name (if different from Legal Name) and address for your organization
- Doing business as (DBA) or other name by which your organization is commonly known or recognized (if exists)
- Physical address: city, state, zip code
- Mailing address (if separate from headquarters and/or physical address)
- Telephone number
- Contact name and title
- Number of employees at your physical location

INSTRUCTIONS FOR COMPLETING BUDGET NARRATIVE

Failure to accurately complete all information and comply with all instructions jeopardizes consideration of this grant.

Applicant provide “best estimate” of the total project or program cost. A well prepared budget justifies the proposed expenses by linking the budget items to the proposed activities, as described in the application narrative.

Budget Justification:

- A.** One (1) page is preferred, not more than two (2) pages. **Show Calculations**
- B.** Provide a narrative justification for **EACH** item requested by budget category. Explain the purpose and necessity of each specific expenditure. If travel is included specify who will travel, where, why, and the specific costs (mileage, hotel, meals, etc.) per trip.
- C.** Indicate the projected number of youth to be served during the proposed fiscal year. Calculate the cost-per-participant and address the cost-effectiveness of the proposed project.

PROJECT NARRATIVE

INSTRUCTIONS: Please label each section by heading and present the required information. Limit the narrative to fourteen (14) typewritten pages or less. **Each section must be labeled and all pages typed, double spaced, font size 12, numbered, and in the specified order (see checklist).**

7. Develop an annual work plan using a quarterly format. List specific activities to be done and the responsible personnel for achieving the project's objectives.
